Rice Lake Soccer Association is committed to offering recreation and competitive soccer to area youth under the umbrella of WYSA (WI Youth Soccer Association) and as allowed according to state and local guidelines. Due to continued uncertainties related to COVID-19, RLSA has removed the assessment of Late Fees, however, once maximum roster requirements for each division have been met teams will be capped. Early registration is encouraged and online registration will close as of March 15th. Visit our website and facebook page for updates as we move closer to the season start dates.

RLSA relies on **volunteers** to maintain and grow our program. We need your help to grow our coaching staff. Please mark your volunteer preference during the registration process or email Info@rlysa.com. Thank you!
