Volunteer Time

RLSA relies on volunteers to maintain and grow our program. We are looking for additional Board Members, Team Managers and Concession Workers. Please indicate your volunteer preference during the registration process. RLSA is also looking for Coaches. All licensed Recreation League coaches are paid a coaching stipend. U6 Coaches = \$25, U8 Coaches = \$30 and U10 Coaches = \$50. A coaching clinic will be offered this spring. Travel Coaches receive a stipend as well and the amount can be verified on our website.

Late Fees & Late Registrations

RLSA is committed to finding a place for every interested player. For the Travel League, it is important that players are registered on or before February 12th. Registering timely avoids the payment of a late fee and ensures that your player can be assigned to a team as well as makes it possible for the Association to register timely for tournaments. Registering your player late will require the payment of a late fee and may cause your player to be unable to play due to the maximum roster limit. For Recreation players, timely registration allows players and coaches to be assigned with ease and team assignments can then be announced approx. 2 weeks before the season start.
